

## Blooming Flower Finger Play

First you take the seed and you plant it in the ground.  
*(Pretend to take seed and plant it in your other hand, balled up in a fist.)*

Next a rain cloud comes and waters all around.  
*(Keep fist with seed same; use other hand to wiggle fingers over seed.)*

Next the sun shines brightly, without a sound.  
*(Keep fist with seed same; use other hand to shine fingers over seed.)*

And in just a few days... a flower is found!
