Dear Parent or Guardian:	
	_is enrolled in the CACFP, a USDA program which

provides federal assistance dollars to eligible child care centers for serving more nutritious meals. The amount of money our agency receives from this program is based on the income levels of our families. In order to continue providing a quality meal service without additional charge, we request every family of our enrolled children to complete new a Household Size-Income Statement form (HSIS) each year. Please complete and return the attached HSIS form to our office. This information will be kept strictly confidential in our files. Only one completed HSIS is required for all children in your household. Once we have properly approved your HSIS as eligible, our agency will receive the higher ("Free" or "Reduced-price") meal reimbursement rates for your enrolled children, for 12 months from the Effective Month of Determination regardless of any change in your household size and/or income or termination from Benefits Programs.

•You are not required to complete this HSIS if no one in your household receives benefits from FoodShare WI (the Supplemental Nutrition Assistance Program (SNAP)), FDPIR (Food Distribution Program on Indian Reservations), Wisconsin Works Programs and your household income is higher than the amount shown for your household size within the table below. The respective documentation is required for these

children to be eligible for Free Meals: These children's eligibility for Free meals does not extend to other children in your household.

You are not required to provide this information, but if you do not, our agency cannot receive higher reimbursement rates for meals served to your children. You must include the last four digits of the social security number of the household member signing the form unless: the HSIS is only for your foster child(ren); you list a case number for receiving benefits from FoodShare WI, WI Works Cash Programs, or FDPIR; or when the household member signing the HSIS checks "None" for not having a SS#.

Sharing Eligibility Information: Children's eligibility information may be shared in accordance with disclosure protection requirements without prior notification, with education, health, and nutrition programs to assess their eligibility for benefits. The law allows us to share your children's eligibility information with programs such as Medicaid or BadgerCare for ensuring their access to free or low cost health insurance, unless you tell us not to. This information may only be used for determining eligibility for their programs; if your children are eligible, they may contact you to offer their enrollment options. Filling out this HSIS does not automatically enroll your children in these programs. If you do not want your information to be shared with these programs, notify us in writing. This notification will not change whether your children's meals are eligible for meal reimbursement. Your eligibility information provided on the HSIS may also be shared with auditors for program reviews and law enforcement officials for the purpose of investigating violations of program rules.
