1

What is Discrimination?

The act of distinguishing one person or group of persons from other, either intentionally, by neglect, or by the effect of actions or lack of actions based on their protected classes.

What Is a Protected Class?

Any person or group of people who have characteristics for which discrimination is prohibited based on a law, regulation, or executive order.

2

Discrimination = Four D's

...an individual or group is:

- <u>Denied</u> benefits or services that others receive
- <u>Delayed</u> receiving benefits or services that others receive
- Treated <u>Differently</u> than others to their disadvantage
- Given **Disparate** treatment something which does not seem discriminatory, but has a discriminatory impact in practice

3

Examples of Discrimination

- Refuse a participant's enrollment based on disability
- Failure to provide reasonable accommodations to disabled individuals
- Serving meals at a time, place, or manner that is discriminatory
- Selectively distributing applications and income forms
- Failure to provide the same eligibility criteria to all participants
- Failure to provide foreign language materials regarding CACFP

4

3

Equal Access

- All participants who attend must be provided equal access to the benefits of the CACFP.
- To withhold the program from any eligible age group is *age* discrimination.
- Child Care/Emergency Shelter Sites: Infants must be offered infant formula and food at the child care center, and parents cannot be asked or required to supply these items.

- Notification of adverse action
- Program (Home) webpage (or a link to it)
- Public information, including program literature

The full NDS is on the next slide. Agencies may copy and paste the full NDS from the document available under <u>Guidance Memo 8</u> (http://dpi.wi.gov/community-nutrition/cacfp/guidance-memo)

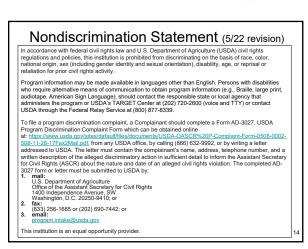

13

15

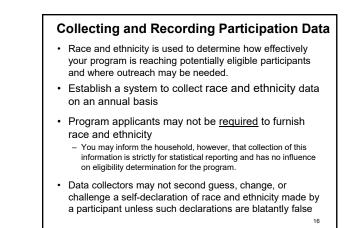

Data Collecting and Reporting <u>Collect ethnicity data first, then race data</u> 1. Ethnicity categories: – Hispanic or Latino – Non-Hispanic or Non-Latino

- Unknown
- 2. Race categories (instructions should specify "mark one or more")
 - American Indian or Alaskan Native
 - Asian
 - Black or African American
 - Native Hawaiian or other Pacific Islander
 - White
 - Unknown

14

13

16

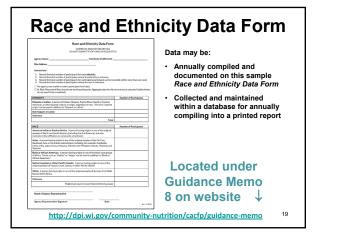

Obtain Race / Ethnicity Data Through...

Voluntary self-identification or self-reporting

USDA issued guidance that visual observation and identification is no longer an allowable practice in obtaining race and ethnicity from CACFP participants

- Household Size-Income Statement (HSIS): The HSIS form completed by each household annually has a section for the household to identify their race and ethnicity data (households are not required to complete this)
- Use other documentation your agency collects that includes identification of participant race and ethnicity data (i.e., program-specific enrollment form)

19

Conflict Resolution

The USDA recommends using an Alternative Dispute Resolution (ADR) program

<u>ADR Definition</u>: use of a neutral third party (usually a person acting as a facilitator) to resolve informally a complaint of discrimination through use of various techniques such as fact finding, mediation, peer panels, facilitation, ombudsman support, or conciliation.

Language Assistance

Limited English Proficiency (LEP)

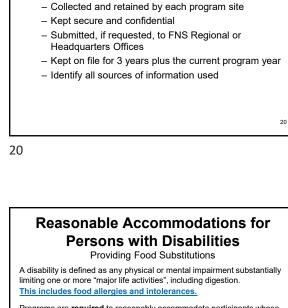

Definition:

- Individuals who do not speak English as their primary language and have limited ability to read, speak, write, or understand English.
- Recipients of Federal financial assistance have a responsibility to take reasonable steps to ensure meaningful access to their programs and activities by persons with LEP.

23

23

Data Management

· Collection systems must ensure that data

collected/retained are:

Programs are <u>required</u> to reasonably accommodate participants whose disabilities restrict their diets by providing substitutions or modifications for their meals, <u>when supported by a proper medical statement</u>

The medical statement must:

- (2) Include a description of impairment (reason for request) and how to accommodate the impairment (e.g., food(s) to be avoided and recommended substitution(s)) 22

22

Limited English Proficiency (LEP)

- Participants should not be used as interpreters.
- Volunteers may be used, but make sure they understand interpreter ethics – particularly <u>confidentiality</u>!
 - Example: Staff with Spanish language skills could assist a household in completing an application but would need to be trained on the importance of keeping all information received from the household confidential

Limited English Proficiency (LEP)

- See <u>www.lep.gov</u> for more information and resources
- Documents translated in Spanish and Hmong (Wisconsin specific forms): <u>https://dpi.wi.gov/community-nutrition/cacfp/childcare/translations</u>
- Household-Size Income Statement Forms in other languages (USDA Forms):

https://www.fns.usda.gov/cacfp/english-mealbenefit-income-eligibility-form

Please Note: this document includes the various forms for all CACFP components; identify the appropriate form within the English version first to know which of the translated documents to give the households.
